

# The Tribune GUIDE TO BEST COLLEGES

After passing out of school, college is a young person's window to the world, and his guiding light for a satisfying career. So making the right choice after Class XII becomes all the more crucial. The Tribune presents an overview of the options available in the region to help you do that

FRIDAY | APRIL 18 | 2014

## HUMANITIES

The platter of humanities stream is brimming with a wide choice of subjects that open up new avenues to careers that provide creative expression and professional satisfaction. **P4**

## ENGINEERING

This stream has a lot of specialisations and niche branches on offer now in state-of-the-art technical institutes which add to the excitement of building and innovating. **P12**

## SCIENCE

Whether one chooses pure sciences or the new applied fields, there is no dearth of courses and opportunities as professionals with a science background are always in demand. **P6**

## MEDICINE

A doctor's world is never short of challenges, thrill and the satisfaction of saving lives. So if the medical stream is your passion then brace up for a life-long academic pursuit. **P13**

## COMMERCE

A wide range of courses and specialisation options make commerce the most sought after stream. The cut off percentage for top league colleges hovers between 95 and 100. **P8**

## LAW

Growing globalisation and subsequent developments have broadened the scope of the legal profession and added new areas of specialisation making it the preferred choice. **P14**

**LISTING OF COLLEGES IN REGION** **P9, 10**

Students of  
**LOVELY PROFESSIONAL UNIVERSITY**  
are sought after by
